CARDINAL CALL

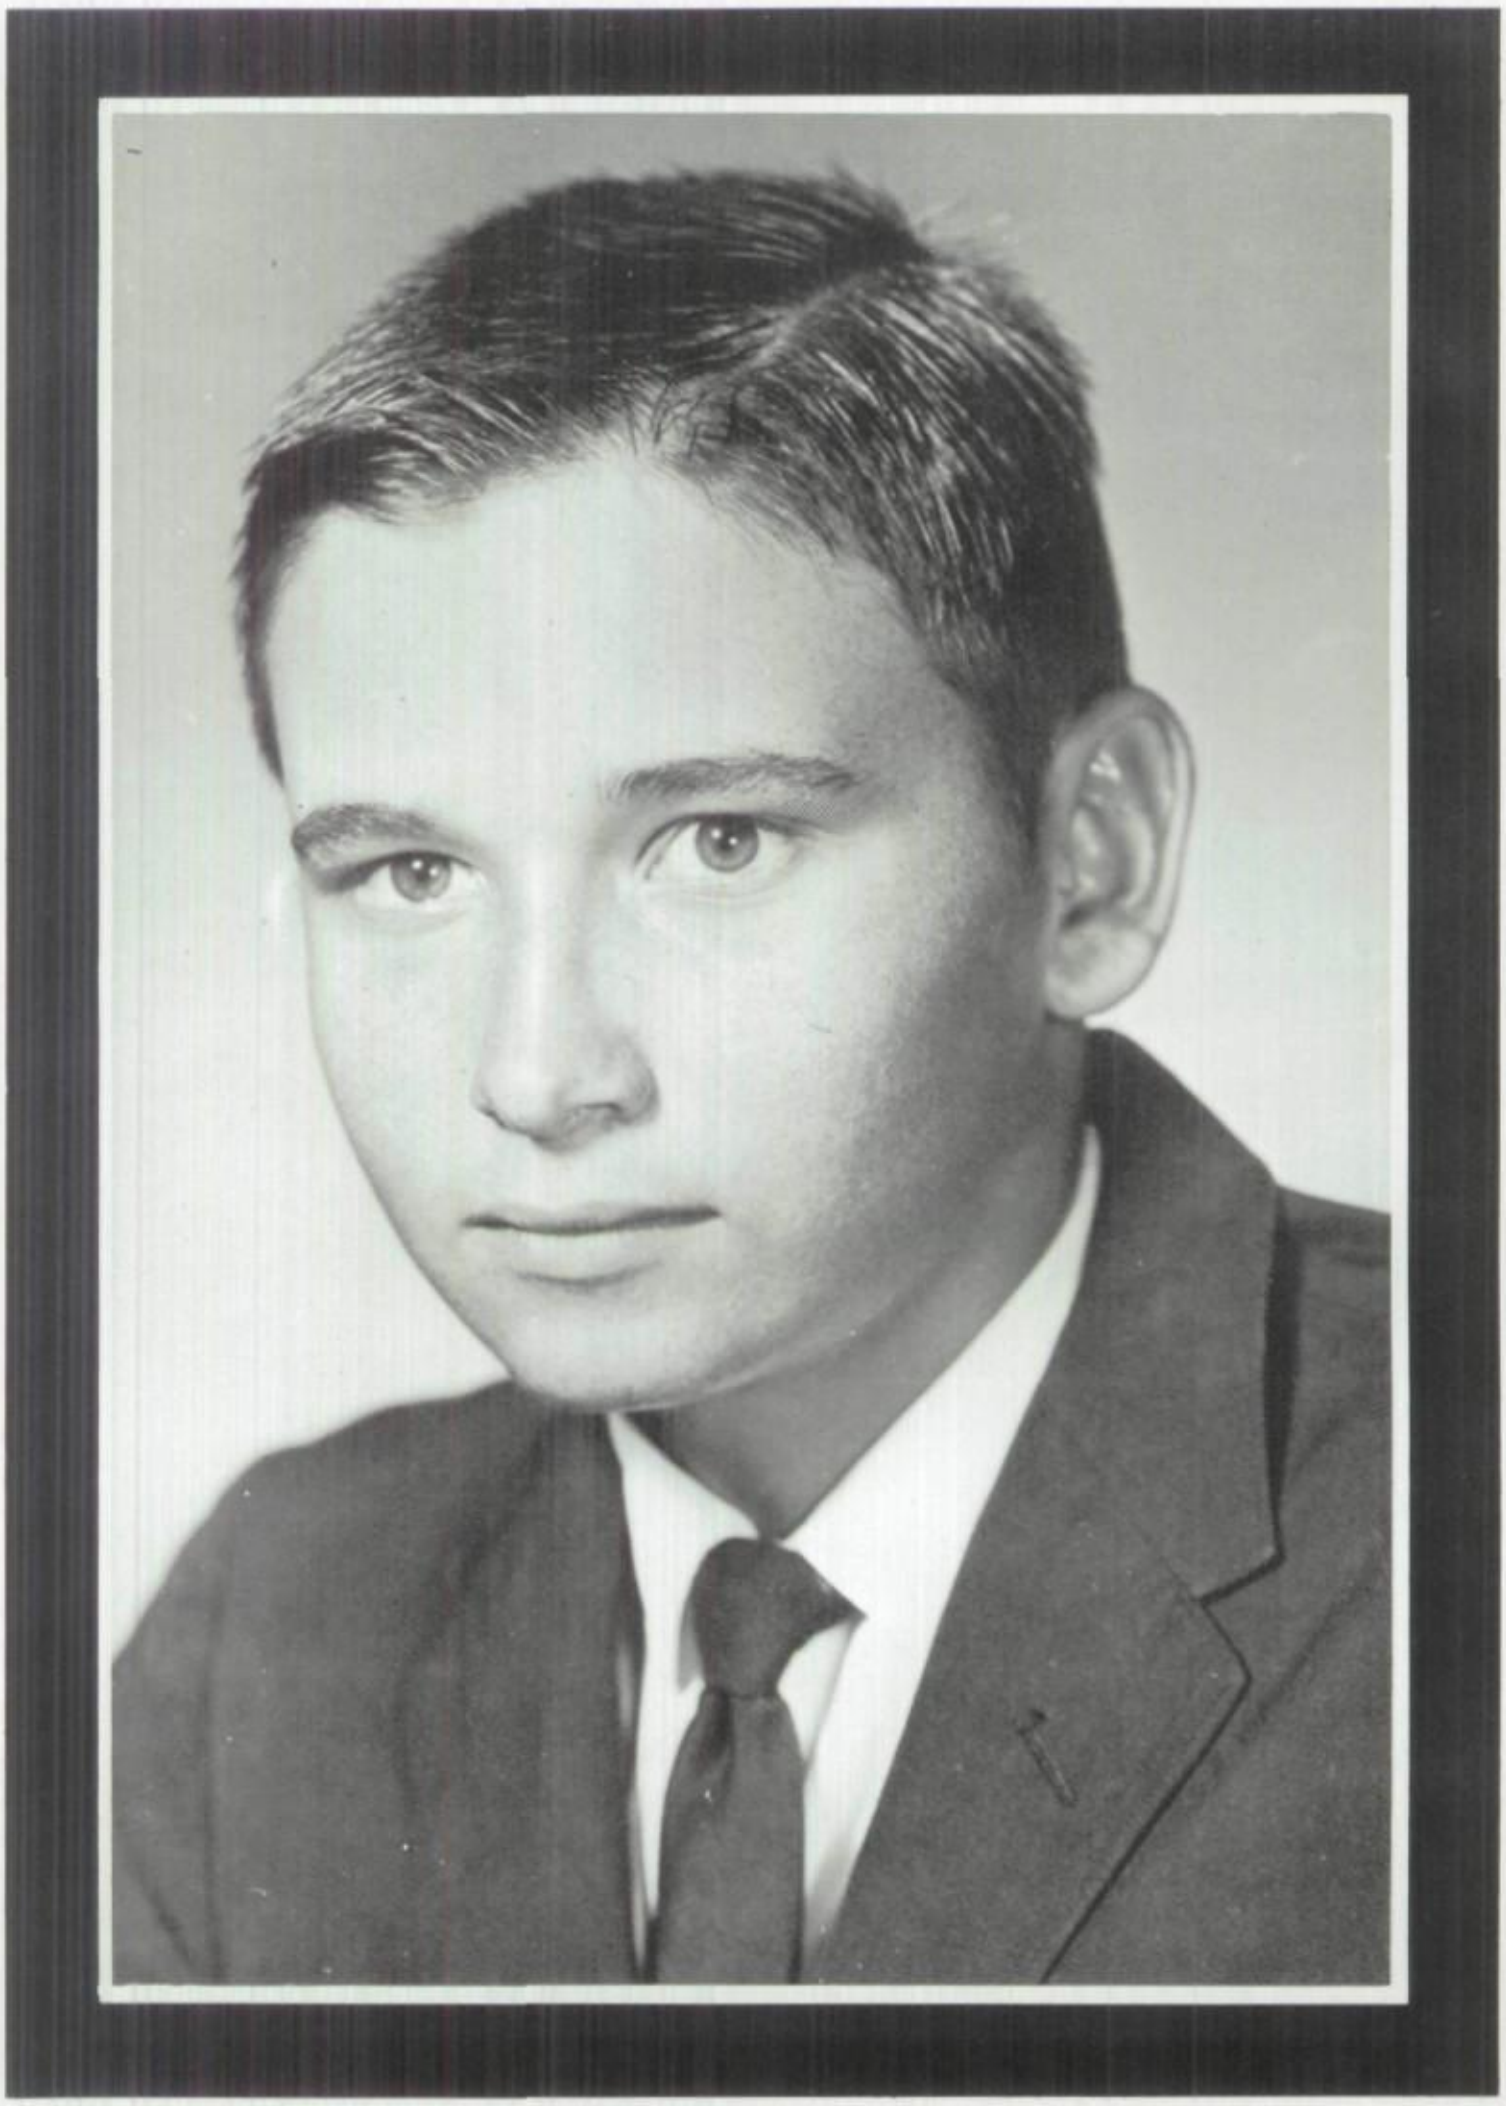
In Memory



We the Seniors of 1972 dedicate this annual in memory of Larry Parker. Larry attended Hermleigh for eight and one half years, where he gained the admiration and trust of his fellow students and teachers.

POWER LINE TO PROSPERITY

For every one dollar spent on cooperative lines an estimated $6 is spent to use the electricity. This means the electric cooperatives have *created* a billion dollar market for local businessmen.

The cooperative is locally owned — business managed — tax paying . . . owned and operated by the people it serves.
